[Pre-Visits](#) are an opportunity for your child to meet the teachers and to get familiar with the classroom while parents/guardians share any information that is important for the teachers to know about their child. If there is an adult, other than the parent, who will be bringing your child to and from school on a regular basis, we suggest they attend the pre-visit as well.

For programs that have [Half Sessions](#), you will be notified of your scheduled half session at Parent Orientation Night. Half Sessions take place before the first full day of class. These are one hour mini-versions of the school day, with half the class attending each session. [Shorter Sessions](#) are when the whole class attends for a one hour mini-version of the school day. These sessions give the children and teachers a better chance to get to know one another.
